

## THE REX SELLICKS BEACH HISTORIC MOTORCYCLE RACES 2025

**PLEASE READ THE BELOW INFORMATION BEFORE ATTEMPTING TO ENTER, IT WILL HELP.**

Make sure you fill in as much information as possible on the entry. If you miss something it will not let you submit the form until you occupy the relevant boxes. Please submit your entry before going to the payment section. If the colour of the form changes, (it may just fade) when pressing submit, go back to the top of the form and complete the 'I am not a robot' puzzle. When you have done that the form will go through to us.

**\*\*\*\* IMPORTANT; PLEASE PUT A REFERENCE NAME OF THE RIDER AND ALSO PASSENGER IF A S/CAR, ON THE PAYMENT. WE NEED THIS TO TIE IN YOUR PAYMENT TO YOUR ENTRY.** Previously when a payment is made by a different person (the name on the card is different) to what is entered on the entry form we have no way of matching it up. We are only accepting EFT payments for this event. If you do have trouble paying, or can't do an EFT please give our treasurer Vicki Matters a call on 0418737835 and she will be able to help you.

**If you require a One Event Licence** (if you don't have an MA National Licence) it is a separate process to completing the entry and must be done through Ridernet. Their link is [www.ridernet.com.au](http://www.ridernet.com.au) If you are new to Ridernet you will need to create a profile by clicking on the 'not a member sign in here' box at the top then put all your info in, then you will receive a password. Be sure to keep that password because you will need it each time you want to access ridernet. Once you have a profile then go to licences, select the one event competition licence and then follow the prompt to find the Sellicks event etc. then make the payment on that site. Print it out and bring it with you at sign on.

**You can apply for a One Event Licence up until 2 weeks before the event.** Cut-off date for this is March 1<sup>st</sup>

You do not need a log book for your entry. If you don't have one please fill out all the information in the 'I don't have a log book' section of the entry form. This information is required so we are fully aware of the exact specs of the machine so we check it's eligibility and place it in the correct class.

If you are re-entering a machine that has raced in one of the previous Sellicks events you will not need to send photos of it unless you have made modifications since. **All new machines will need photos** sent to [chairman@levismcc.asn.au](mailto:chairman@levismcc.asn.au) to ensure they are eligible. Make sure photos of tyres are included thanks. Don't forget the **eligibility guide is available** on our website via the Sellicks 2025 page. Our experienced Race Committee members are happy to answer any questions you might have about preparing your machine. Sending photos with questions would be a benefit. All emails to chairman please.

**When you place a race number into the entry details that number may be taken. I will notify you if your requested number has been accepted or not, if not you will need to request a second choice. Putting 2 possibles on your entry for ie; 32 or 33 will make my job easier thanks. Your race number will be confirmed by email.** All race numbers from the 2023 event entries will carry over, but if an entry is not received by Jan 1st for that numbered machine it may be given to another competitor if it is requested.

**PLEASE NOTE, 'RIDING UP' A CLASS IS NOT PERMITTED, WITH THE EXCEPTION OF THE HAND-SHIFTER CLASS.**

**The class for Hand-shifters** (all capacities) will be a handicap feature race to be held only once each day. For riders of hand-shifters you can still enter your normal capacity & period class to compete in the scratch and handicap races if you so choose. **There is no charge to enter this extra class** if you are using the same machine that you race in the scratch & handicap races, **but if you have a machine that will be racing this class only (the 2 races) there is a fee of \$90** for an extra bike. The feature races will be known as **'Hagrid's Hand-shifter Race'** in memory of Andrew 'Macca' McDonald (alias 'Hagrid') a respected Levis member that competed at Sellicks in both '17 & '19 events and sadly passed away well before his time.
